Old Dunolly Cemetery. Only a few graves are marked and there was no registry. Somewhere among the approximately 300 burials are Robert Dunlop and Hugh MacLean. Jessie and Margaret Shanks are very likely not here.

Site of “Old House At Home”. Probable inquest site of Shanks murders and known to be inquest site of Dunlop/MacLean murders.

Yellow enclosed shows the approximate extent of the “Old Lead” diggings at the time of the 1856 Shanks murders.

Moliagul, Sandy Creek, Jones Creek all predate the shown location of Dunolly by 3 to 4 years. The red roads, approximate only, existed well before Dunolly township and were the only roads.
