Jones's Creek or Waanyarra is principally here in the time frame of the murders.

Long Gully

Yellow below junction and back to Dunolly did not exist until after 1857.

Murders Hill. This is a landmark. The red circle marks the probable zone where the bodies were found.

Road continues to Sandy Creek (Tarnagulla)

Moliagul, Sandy Creek, Jones Creek all predate the shown location of Dunolly by 3 to 4 years. The red roads existed well before the town.
